ABOUT ME

I'm Toraboyev Akobir, was born on August 12, 2005 in Sherabod District, Surkhandarya Region. I graduated from the 33rd general secondary school in Sherabod District between 2012 and 2023. In 2023, I was accepted to study applied mathematics at the Faculty of Information Technology of Termiz State University on the basis of a state grant.

WORK EXPERIENCE

Frontend developer   2023 – 2024

IT Park senter,Termiz sity

In 2023, I successfully passed the exams held at IT Park and became a student of IT Park. I am currently studying at the IT Park training center and strengthening my knowledge.
Currently, my work experience is 5 months. I have not worked in real projects. My future goals are to strengthen my knowledge and learn new technologies.

Frontend developer   2022-2024

My results
In 2024, I obtained a certificate from the University of Michigan, America. I also won the 2022 PDP Academy grant. I have also earned one million developer certifications.
